

Innovators Guide:

India Innovation Summit – Pioneering Solutions to End TB

Date: March 18-19, 2025; | Venue: Bharat Mandapam Convention Centre, New Delhi, India

Welcome:

Congrats Dear Innovator!

It is with immense excitement and gratitude that we welcome you to the – ‘India Innovation Summit – Pioneering Solutions to End TB’ where ideas ignite, collaborations take flight, and the future takes shape in the Nation’s Mission to End TB!

*In the following two days—**March 18th & 19th, 2025**—get ready to embark on an exciting journey into the future of TB elimination!*

This event brings together cutting-edge technological advancements, visionary thought leaders, and dynamic discussions that will shape the fight against TB. It’s more than just an event—it’s a platform to share your innovations, and strengthen collaborations that will accelerate India’s End TB efforts.

Whether you’re here to share expertise, gain inspiration, or forge new partnerships, your presence is a vital step toward a TB-free future.

We are thrilled to have you here, let’s unite, innovate, and make history—together!
